

Oakville Little League: Delivery Policy

Program Overview:

Oakville Little League (OLL) is the largest youth baseball organization in Oakville and one of the largest Little League Baseball organization in North America. Since 1992, OLL as part of Little League Canada and Little League International has been providing an outstanding House League Baseball program with an All-Star component within Ontario Little League District 1. Over the years additional programs such as the Challenger Division and a Summer Baseball Camp have also been introduced. This approach has provided Oakville youth with opportunities to develop citizenship, discipline, teamwork, and physical well-being through baseball.

The league is built using adult volunteers who like to give back to their community. These volunteers demonstrate their leadership qualities so our youth learn and grow to become tomorrow's leaders.

House League - OLL is the largest youth baseball organization in Canada and is recognized as having the best and highest calibre house league baseball programs. The philosophy is one of house league first, which brings fun and fair play to all players of every level. Every All-Star player must also play in our house league in order to qualify for the All-Star team. Our experience has been that having the best players participate in house league helps the average player improve faster as they have players they can emulate.

For the better players, participation in house league provides leadership opportunities they may not otherwise experience. Children learn the positive values of "Good Sportsmanship," "Fair Play" and "Teamwork," which they can use throughout their lives.

Oakville Whitecap All-Star Program -The Oakville White Cap All-Star/Select program is an exciting opportunity for house league players to supplement their House League program by competing for selection to the Oakville Whitecap All-Star team.

The All-Star team will:

- Compete in a high level of competitive baseball
- Learn more in-depth skills and strategies
- Travel with a team
- Proudly represent our League and the Town of Oakville.

Oakville Little League: Delivery Policy

The focus of our program is to implement and reinforce the attitudes of teamwork, positive experiences, and respect for coaches, umpires, peers, and players.

Oakville Challenger Program -Our league runs a Challenger program division which is also part of Little League Canada and Little league International. The Challenger Division provides boys and girls with physical or mental disabilities, ages 4-17, an opportunity to play baseball regardless of their limitations. This affords these children the opportunity to experience the emotional development and fun of playing Little League Baseball. This Division of the League is a supervised, volunteer-based, non-competitive structured athletic program.

Program Delivery:

Oakville Little League's operation is overseen by a Board of Directors who run the league in accordance with a Constitution. Information on membership of the board, volunteers and committees can be found on the oakvillelittleleague.com website under the "Home" tab.

Program Registration

Program Participation is available through an online registration process which can be accessed at the league's website www.oakvillelittleleague.com or at the league's clubhouse located at 425 Cornwall Ave. Early-Bird discounted registration rates are offered for the following season at the conclusion of the current year's playoff for each division.

Registration Fees include the player's team uniform, consisting of a hat, shirt, pants, belt and socks. The league provides bats, balls, protective equipment for catchers and bases for all games. Umpires are provided for games played in the T-Ball Major through to Senior Divisions.

All games are played on fields provided and maintained by the Town of Oakville who charge the league for permit fees.

Police Checks:

The league requires coaches and volunteers to obtain and submit a Police Vulnerable Sector Check
