

# Oakville Little League

We hope this Newsletter finds you and your family in good health.

In a “normal” year, this newsletter would be the one we publish at a time when the younger age groups are finishing their season and the older age groups are participating in their divisional playoffs. In it, we would announce the Early-Bird registration details for the upcoming season, and encourage you to register early.

Alas, this is not a “normal” year and Early-Bird registration is not yet available. However, we do have some exciting good news to share with you about the 2021 season.

## **Player Registration**

While registration is not yet available, the Board has agreed to keep the 2021 registration fees the same as the 2020 rates. In addition, the Early-Bird registration discount will be increased from \$25 to \$50, and the Early-Bird registration period will be extended to January 31, 2021. This will expand the opportunity for Early-Bird savings while also registering at last year’s rates.

## **Minor & Major T-Ball**

We also have good news for parents and players in the Minor & Major T-Ball Division. Starting in 2021, all T-Ball games will be played at Cornwall Park on weekends. This will provide our youngest age group the same superior and exciting experience of playing at our League’s premier park and make it easier

for parents to get their players to the park in a more relaxed fashion. More details to follow regarding game formats and practices.

### **New Umpire Registration**

If you will be 13 years of age or older on May 1, 2021 and are interested in becoming part of the Oakville Little League umpiring staff for the 2021 season, please visit our [oakvillelittleleague.com](https://oakvillelittleleague.com) website to access the registration link on the [umpire's web page](#).

Umpires who registered for the 2020 season will be contacted by Alain Armstrong, our Umpire-In-Chief, to confirm your intentions for the 2021 season.

### **More Updates on the Way**

We'll have more exciting news about our plans for 2021 in our next update coming in late September.
