### Our Mission Statement:

The mission of Oakville Little League is to provide the youth of Oakville with opportunities to develop citizenship, discipline, teamwork, and physical well-being through baseball. Our goal is the all-round development of young people not just baseball players. Baseball just happens to be the vehicle used to develop life skills that extend beyond the game.

### Open House

OLL is having an open house on January 26 from 9am until 2pm at 425 Cornwall Road. If you have any question or need help with the online registration process, drop in and chat with our convenors and board members who will be on hand.

### Don't Miss Pre-Season Player Evaluation

Pre-season player evaluations, for registered players, are a key tool to group players with similar skill levels within the same divisions. All registered players in the T-Ball Major through to the Junior Divisions will be invited for an evaluation. Please note: to be invited the player registration must be “active” i.e. payment has been processed. Players who do not attend an evaluation session may be placed in a lower ranked skilled group within their division. Invitations will be sent out by email which will include information on time and location.

[\[Back\]](#)

### Summer Camp Registration

Registration for summer camp is now open. Camp details and the registration link can be found on our webpage under the “Summer Camp” tab. Note that if you have previously set up an account to register a player in House League, you can login to the Sportsavvy registration system using the same login credentials.

### Blue Jay Tickets

Come watch the Toronto Blue Jays take on the San Diego Padres on Sunday, May 26 as part of the annual OLL Blue Jay Day Event. The league has ordered 500 tickets in the level 200 section (outfield) and is selling them for \$35 on a first come basis. Tickets will be distributed from the Snack Shack a week before the game. An order form is included with this Newsletter. Completed forms can be dropped off at the clubhouse mailbox anytime or in person on Saturdays between 9am and noon. You can also email an image of the completed form including credit card information to [ollregistrar@gmail.com](mailto:ollregistrar@gmail.com).

**Submission Deadline: Saturday May 12**

### 2019 Season Information

You can check out Information about the upcoming 2019 season, including opening day for each division, the parks and day of the week games are played at, and events such as picture day, by visiting our website. Go to the “Season at a Glance” link where you can view and/or download pdf file with the information you need.

[\[Back\]](#)

## Registration: Payment Pending Accounts

Our new registration system has a number of accounts with player registrations where the registration payment has not been completed.

Please be aware that these players are NOT officially registered and as such do not have a “reserved” a spot in their respective division. In addition these players will not receive an invitation to attend the pre-season evaluation, and will not be assigned to teams until processing is complete. If you have not finalized payment and need additional information or assistance please send an email to our registrar at [ollregistrar@gmail.com](mailto:ollregistrar@gmail.com) or leave a telephone message at our 905-827-1831

[\[Back\]](#)

## Town Cost Recovery Plan for Field Maintenance

As noted on page 59-60 of the “Approved 2018 Town of Oakville Rates and Fee Schedule”, current rates for most field permits are substantively below approved cost recovery ratios. Consequently, the Town is implementing an approved 7-year phase-in pricing strategy starting in 2018 for outdoor sports fields which the Town anticipates will bring them to 50% recovery of their costs.

The Town’s cost recovery policy will result in field permit fee rate increases that are significantly higher

## 2019 Umpire Roster

There are still a few openings for anyone age 13 and over who wants an opportunity to learn the rules of the game and become a

proficient umpire in our league. Adults are also encouraged to apply and would be enthusiastically welcomed. To apply click on or paste the following link in your browser and complete the online form: <https://form.iotform.com/50548634256964>

[\[Back\]](#)

than the rate of inflation in the coming years. These increases are beyond the control of Oakville Little League and will impact all sports organizations in Oakville. While OLL will need to increase registration fees to offset these additional cost increases, the League is committed to minimizing the impact on fees, while continuing to provide top-quality community baseball programs.

[\[Back\]](#)

## 2019 Sponsorship

Sponsorship plays a very important part of delivering our baseball programs. It supports our efforts to keep programs affordable, improve facilities and replace old equipment. It also provides great company visibility to our 1,200 strong membership. Sponsorship can take the form of a “team sponsorship” with a company name on the uniform, or a team sponsorship plus a 4’x6’ company sign on the outfield fence at the Cornwall facility plus other levels of sponsorship as well. Check out the options on the sponsorship form included with this newsletter.

We appreciate and thank all past sponsors for their support of our League and also appreciate those sponsors who have already stepped up for 2019. For other member families with company connections, such as company customers or suppliers or who may know of a company who might be interested in sponsorship, please contact John Sinclair ([jisinclair40@cogeco.ca](mailto:jisinclair40@cogeco.ca)) Sponsorship Coordinator who will be pleased and able to provide any additional information or clarifications.
