Oakville Little League's Refund Policy

Covid-19

In a situation where the season has started and needs to be canceled due to government directives related to COVID-19 (or similar circumstances), Oakville Little League will endeavor to issue prorated refunds and no administration fee will apply. Refunded amounts, if any, will be determined by a number of factors, including how much of the season/program has been completed, and the ratio of costs that can be recovered by the League (e.g. field permits etc.) to those that cannot (e.g. uniforms etc.).

Refunds will not be issued for amount less than \$50, and the Board will also set a date for each division beyond which the season will be deemed to have been reasonably and effectively completed and no refunds will be issued for cancellations after that date.
