

2021 OLL ROADMAP TO SUMMER BASEBALL

LEARN TO PLAY & MINOR T-BALL

These two divisions have a unique and different structure from the rest of the league. These two divisions only have the once a week practice / game and normally receive a uniform right away.

Once we move into Step One and are permitted on the field, the Learn To Play and Minor T-Ball divisions will move into a set up that is very similar to normal activity for these divisions.

Oakville Little League and the Board of Directors are committed to providing a fun & memorable season for these young baseball players. Our goal is to get them excited about playing baseball and wanting to come back the next season.

Please review the 3 – Step Plan along with possible scenarios for those in LEARN TO PLAY and Minor T-Ball.

Learn To Play

Born January 1 to July 31, 2017

Minor T-Ball

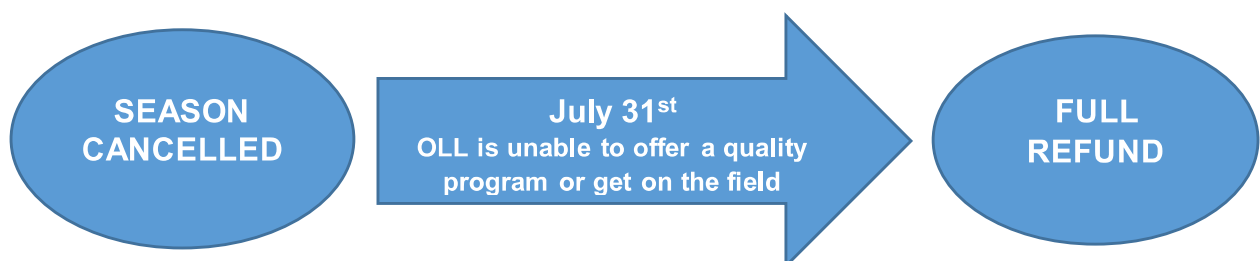

Born September 1, 2015 to December 31, 2016

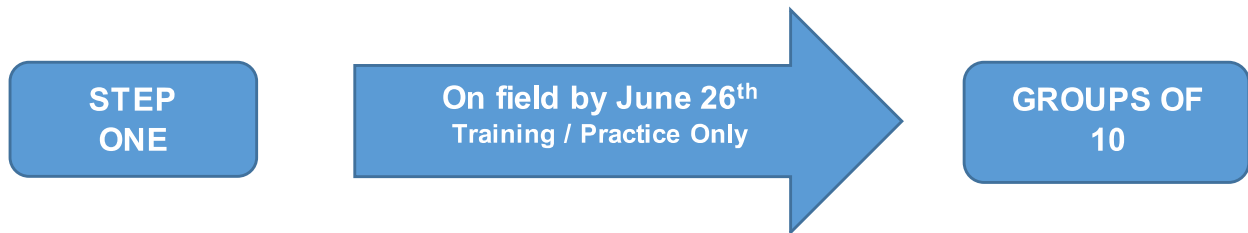

SCENARIO ONE: You have made the decision to not play at all this year

SCENARIO TWO: Oakville Little League has decided to cancel the season.

STEP ONE of the Roadmap to Reopening: Training / Practice only.

STEP TWO of the Roadmap to Reopening: Training/Practice leading into Game Play

STEP THREE of the Roadmap to Reopening: Progression with fewer restrictions.

COMMITMENT TO PARTICIPATION

This means that you have considered Scenario One: Complete Refund. You have decided to waive this opportunity to receive a refund. Furthermore you understand and accept that stated start and finish dates for training / practicing and game play may not occur exactly as stated. OLL is required to follow all government guidelines and restrictions as they apply to Covid19.

OLL will do everything possible to create an enjoyable baseball experience. Knowing that things are fluid and can change at any time, OLL will continue to monitor situations as they are presented.

Please visit the Oakville Little League Website for a complete explanation of the various scenarios and steps as outlined in this document. This link will bring you to the information
