Oakville Little League's Refund Policy

House League Baseball

Requests for a full refund must be forwarded to the Registrar at registrar@oakvillelitleleague.com prior to May 1 of the season the player is registered for. No refunds will be issued after April 30th.

Challenger Baseball

Registration fees are non-refundable.

Summer Camp, Fall Ball, and Indoor Fall & Winter Indoor Skills Training Sessions

Any refund requests must be made prior to the start of the session that has been registered for. No refunds will be given once the session has started.

Blue Jays Day Ticket Sales

All payments are final, and no refunds will be issued, unless games are cancelled and refunded by the Blue Jays Organization, in which case a full refund will be issued.

Inclement Weather

No refunds will be issued for weather-related cancellatons. Baseball is an outdoor activity and Oakville Little League has no control over weather conditions that may lead to field closures and the cancellation of games and/or practices. Convenors, for the affected Divisions, will attempt, where possible, to reschedule missed games, and, at their discretion, coaches may attempt to reschedule missed practices in consultation with their Division's Convenor.

Notwithstanding Clause

The terms of this policy notwithstanding, in certain cases exceptions may be granted by the Registrar in consultation with members of the Board of Directors. Any exceptions will only be granted based on extenuating circumstances such as injury or relocation and the amount of the refund offered will be subject to costs already incurred by the league.
